**Discussion Items:**
*Department Name Change*
The committee had no concerns with the Department of Decision and Information Sciences to the Department of Information Systems and Operations Management.

*Early Admissions*
The committee discussed various aspects of the university’s early decision process such as how changing the deadlines affect transfer students, when the new deadlines would be implemented, as well as keeping recruiters and high school counselors well informed.

Dr. Fouke stated that simplifying the dates will ultimately assist applicants by not having many deadlines to try to apply by and the applicants will have their decision earlier.

*Florida Opportunity Scholars*
Dr. Telles-Irvin stated the program has about 445 participants and the program has been very successful and that the incoming class has 120 more students eligible for the program which should increase the participants to over 500 depending on how many students accept UF’s offer.

She also informed the committee that the Florida Senate was trying to pass a bill that would provide $13M for all universities to have a similar program, but it was not likely to be passed.

Trustee O’Connell asked what Dr. Telles-Irvin thought the successful increase could be attributed to and Dr. Telles-Irvin replied that word-of-mouth has made the program increase in the number of students eligible.

*Senate Bills 1954 and 1956 – Underage Drinking*
Dr. Telles-Irvin stated the committee would receive an update in June on these two Senate bills.

*Searches Update*
Dr. Fouke next provided a searches update. She indicated the new Dean of the Graduate School, Hank Frierson, would be at dinner this evening. Also, she informed the committee that Judith Russell has been hired as the Dean of University Libraries, Daniel Wubah has been hired as Associate Provost for Undergraduate Affairs, and Bruce Kone has been hired as Dean of Medicine.
The Committee asked about the Journalism & Communications Dean search and Dr. Fouke replied that the position is currently being advertised, but interviews will not be concluded in time for a Fall semester start date.

Dr. Fouke also commented on the CLAS dean search and that she is scheduled to meet with the college in early April to discuss how to move forward.

**Other Issues:**
Trustee Wright mentioned the Florida House bills on textbook adoptions.

Chairman Alfonso discussed the Strategic Work Plan edits and suggested that the committee go ahead and move to adopt the Work Plan since only polishing and wordsmithing remain to be completed. Trustee O’Connell moved to accept the Work Plan in its current form and to discuss it more fully at the next conference call of the committee prior to the June BOT meeting. Trustee Wright seconded the motion and it was approved unanimously.

Trustee Boyles took a moment to introduce the Student Body President-Elect, Ryan Moseley.

The meeting adjourned at 2:10 p.m.
